

Steps to Becoming a Kingdom Revolution Cyber Member

www.kingdomrevolt.org

We're excited about having you connect with Kingdom Revolution International Ministries as a Cyber Member. Dr. A. G. Green and Kingdom Revolution uphold the mandate of teaching, preaching, and leading people with the utmost sincerity. We believe in helping people achieve their destiny by equipping them with Christ-Centered tools and Divine Principles. Your status as a Cyber Member will be given the same priority as someone who is a traditional member. Our Cyber Member orientation is simple and educational. If you follow the instructions you'll be an official member of the Kingdom Revolution family and on your way to growing in God before you know it.

Step One

Fill out the Cyber Member Enrollment form completely and email it back to us at kingdomrevolt@gmail.com. After we receive your returned enrollment from you and it's determined you want to be a Cyber Member you'll be granted access to our Cyber Member Center.

Step Two

Watch our Cyber Member Covenant Video which explains our expectations of Cyber Members. Please email any questions you may have to kingdomrevolt@gmail.com or while inside the CM Center fill out the communication form.

Step Three

Download and review the Membership Covenant which is contained within the CM Power Center (CM PC). After reading it if you agree with our expectations type your name on the signature line where it says "New Member", and also type in the date, and email it back to us. After we receive your Membership Covenant your membership will be official. Please email to kingdomrevolt@gmail.com.

Step Four

Within one to two weeks after we receive your enrollment form and Membership Covenant you'll receive a phone call from us (if we have your phone number) and an email congratulating you. Your membership certificate will be attached to the email we send. Once you're information is received, reviewed, and confirmed your membership will be official.
